**Program End Date:** Last class will be March 20th, 2025

## FAQ's

**How many classes does my child attend per week?** Classes are held once a week, with a variety of days and time slots available to fit your busy schedule. Pick the option that suits you best! **If you are apart of the pre-competitive program, classes are 2x per week**

**Can I register my child for multiple classes?** Absolutely! We recommend signing up for both a Rec Cheer Class and a Rec Tumbling Class if you want your child(ren) to spend more time in the gym. Visit the Rec Tumbling Class schedule to find the appropriate class

**Am I able to watch my child(ren)'s class?** We have a small viewing area where you can watch your child(ren)'s class. If you choose to stay, please be respectful of our coaches and other ongoing programs by keeping the volume low and avoiding distractions for your child and other athletes. You may also drop off your child and pick up after their class!
